FWBC Satellite Office to Open at the Hollywood Chamber April 8, 2010

HOLLYWOOD, FL – On Thursday, April 8, 2010 from 4:00 p.m. to 6:00 p.m., the Greater Hollywood Chamber of Commerce and the Florida Women's Business Center (FWBC) invites the public to a grand opening and ribbon cutting ceremony of the newest FWBC's satellite office.

The satellite office, which will now be located in the Hollywood Chamber building at 330 N. Federal Highway in Hollywood, will offer services such as training, counseling, technology and marketing for any resident of the greater Hollywood area who is interested in starting a small business or in growing their business.

Because the FWBC's headquarters is located in Palm Beach County, the non-profit organization saw the apparent need to offer their entrepreneurial training and face-to-face counseling services in Broward County. Thus, the expansion of the FWBC into the City of Hollywood to provide women business owners and managers the same services as in the Palm Beach area. The program is not exclusive to women but was initiated with a focus on women owned businesses.

The ribbon cutting ceremony, presented by the Florida Women's Business Center and the Greater Hollywood Chamber of Commerce, is free and open to the public. Hors d'oeuvres and libations will be served.

Any interested guest is asked to RSVP to information@hollywoodchamber.org. For more information, please call the Greater Hollywood Chamber of Commerce at 954.923.4000 or visit www.hollywoodchamber.org.
