***Leadership Hollywood Cultivates another Class of
Business Leaders
This will be the 33rd Class to Graduate from the Program***

HOLLYWOOD, FL – On June 11, 2009 the Greater Hollywood Chamber of Commerce will honor members of Leadership Hollywood Class 33. A graduation ceremony will be held at Memorial Hospital South (3600 Washington Street in Hollywood) beginning at 6:00 p.m. with a cocktail reception at 6:30 p.m.

This year's graduating class was part of the Chamber's Leadership Hollywood program; an interactive program where members viewed the Hollywood community up close, worked together and achieved a unique knowledge of resources and services available in Hollywood, Broward County and the State of Florida.

During the nine-month program, members of the class were divided into four teams. Each team was given an organization to work with in order to fulfill the program's community service requirement. All teams will be given the opportunity to present their projects during the ceremony.

Now is your chance to be part of one of the oldest and prestigious Leadership programs in Florida. The Chamber is currently looking for future community service leaders to participate in the Leadership Hollywood 34 program. More than 600 individuals have graduated from the program to date.

The next class will begin in October and will culminate in June 2010 with a graduation ceremony. Sessions will be once a month, and each day of this program is geared to show participants experiences not seen in a "normal" work routine.
