***The Hollywood Chamber of Commerce Approves  
Proposed ArtsPark Village Project***

**HOLLYWOOD, FL** – After Hollywood city commissioners approved the master development plan rezoning for the Arts Park Village by a 4-3 vote, the Greater Hollywood Chamber of Commerce Board of Directors has decided to back the commission’s decision.

The Chamber’s Board strongly supports the WSG Project (mixed use residential office/charter school) because the project will prove a catalyst for continued downtown business and residential growth. It will add residents who will support all businesses in the immediate downtown district and also provide new opportunities for retail and office development.

The project — located between Federal Highway and South 17th Avenue to the east, from Harrison Street south to Van Buren Street — will consist of a 25-story residential tower (which will tier down to 21 stories on the east side) with 437 condo units, 26,400 square feet of ground-floor retail space, 58,500 square feet of offices in an eight-story building, 672 parking spaces and a 107,700-square-foot arts and sciences charter school.

The Greater Hollywood Chamber of Commerce also joins the Downtown Hollywood Business Association in support of the ArtsPark Village Project.
