Hollywood Chamber's Project Pride Award Goes to TD Bank

HOLLYWOOD, FL - Hollywood TD Bank, located at 5171 Sheridan Street, was announced as the winner of the Chamber's Project Pride Award for April 2011.

Traditionally, this award has been given to businesses that have improved the physical appearance of their property, contributing to the beautification of their neighborhood. TD Bank not only qualifies but brings the additional benefit of leading the way as an environmentally responsible business.

TD Bank is the largest U.S. based bank to achieve carbon neutral status. It is also company policy to build a majority of their branches to meet the certification requirements of the Leadership in Energy and Environmental Design program of the U.S. Green Building Council. The local branch is the first building in Hollywood to be built to achieve the second highest level (gold) of LEED certification.

TD Bank will receive recognition at the Chamber's upcoming Good Morning Hollywood Breakfast on April 8, an honorable mention during April 6, City of Hollywood's commission meeting and an award plaque for permanent outside display.

The committee, chaired by David L. Kout of David L. Kout, PA, also consists of Carlos Jimenez of Air Purifying Systems, Kevin Biederman of Pest Pro Services, Beth Kroll of IT Connect, Jay Auerbach of Law Offices of Khani & Auerbach, Barry Kay of Hollywood Eyes and Judy Erickson of the Community Redevelopment Agency.

For nominations, please contact the Chamber at 954.923.4000 or e-mail sueann@hollywoodchamber.org.
